I like that I've gained a new talent. I also like the feeling of success when I complete a new song. My dream is to be a pop-rocker and go on a worldwide tour. My favorite piano pieces are "Ode to Joy," "Sandy Land," and "Let Us Chase the Squirrel."

From the parents: Thank you, Ms. Aki, for sharing your love of music with Nathan. He has learned so much from you. We are proud of all that he has accomplished while in Musikgarten. We enjoy listening to him play on the piano. We hope that he continues his musical journey.

I like learning to play the piano and the fact that it is okay to make a mistake. My dream is to be able to play the piano as beautifully as my grandmother. My favorite piano pieces are "Andante," "Spring From the Four Seasons," and "C is for Cookie."

From the parents: Haley has loved music and Musikgarten since she was a baby. With hard work and perseverance, she has gone from shaking rattles to playing complicated piano pieces in her 8 years with Musikgarten Hawaii. We are so proud of Haley! Ms. Aki has been a great teacher. Thank you, Ms. Aki, for your continued love, support, and patience.
