I like learning how to play the piano. My dream is to become a great piano player. My favorite piano pieces are "Largo," "Andante," "The Old Gray Cat," and "Sandy Land."

From the parents: Mahalo, Ms. Aki. Calogero has learned so much more than just music. You are a wonderful teacher!

I like that Ms. Aki always has a fun way of teaching us everything, and she is so patient with us. My dream is to be a famous novelist. I could use what I know now to be an even better writer! My favorite piano pieces are "Andante," which showed me not to give up, and "Largo," which taught me patience (or to slow down).

From the parents: Thank you, Ms. Aki. You have helped Honu grow and develop her musical ability. The wonderful teaching style and all your support and encouragement have meant so much to her and our family. We love you!

I enjoy that we get to play and figure out songs on the piano. My dream is to teach in a piano school and to compose songs. My favorite piano songs are "The Old Gray Cat," "Largo," and "Andante."

From the parents: Tiffany started Musikgarten at 2 years old. Performing at such a young age gave her the confidence to perform in front of a large audience such as at church, school, and family functions.
